

One of our own San Antonio chapter members moves up the ladder of success. It is with great pleasure that we announce the appointment of Paul J. Chapa as the Chief of Police of the Trinity University Police Department.

Paul has been an active member of HAPCOA for number of years and currently serves as the Vice President of the San Antonio Chapter. Chief Chapa has been in Law Enforcement the last 19 years and has served with integrity and discipline. Paul said of this of his appointment; "if it wasn't for the mentorship that I received from my HAPCOA brothers and sisters, this opportunity may not have occurred."

Paul officially takes office on July 15, 2009. Once again, join us in congratulating Paul on his new appointment as Chief of Police.
